However, in a situation of rising costs of inputs, change in exchange rate of rupees etc., corresponding amount of increase in the prices of medicines is inevitable.

(c) Question does not arise.

(d) and (e) The requisite information has already been furnished in reply to parts (b) to (d) of R.S.U.S. Question No. 673 answered on 28-11-1991.

As regards Magadol and Analflam tablets, the matter is under active consideration.
